

HDB'S JUNE 2026 BTO SALES EXERCISE

BTOgether

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs, even after residents have moved into the precincts. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance. We have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.

This brochure may contain forward-looking statements regarding future developments, projections, estimates, and other statements about HDB's plans, goals, and expectations on the development. Forward-looking statements are not guarantees of future results but are inherently subject to uncertainty, and actual results could differ materially from those anticipated in these statements.

HDB does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. The information provided in this brochure is based on current expectations and beliefs, and there can be no assurance that the results and events contemplated by the forward-looking statements will indeed occur.

Prospective buyers are cautioned not to place reliance on these forward-looking statements. Any reliance on the forward-looking statements is at the sole risk and discretion of the recipient, and HDB disclaims any obligation to update or revise such statements to reflect changes in expectations or events, conditions, or circumstances on which any such statements are based. HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on such forward-looking statements.

KEBUN BARU BREEZE

Kebun Baru Breeze is bounded by Ang Mo Kio Avenue 1 and Ang Mo Kio Rise, with the scenic Bishan-Ang Mo Kio Park located to the south. The project comprises 2 residential blocks, each 30 storeys high, offering a total of 579 units of 2-room Flexi and 4-room flats. 1 of the blocks will also include another 58 rental units. These flats are offered as Plus flats under the new flat classification framework (<https://www.hdb.gov.sg/buying-a-flat/bto-sbf-and-open-booking-of-flats/finding-a-new-flat/standard-plus-and-prime-housing-framework>).

The project name reflects its location among nearby developments such as Kebun Baru Edge, Kebun Baru Court, and Kebun Baru View. The term 'Breeze' reflects the nearby Bishan-Ang Mo Kio Park and Lower Peirce Reservoir, drawing inspiration from the breezy green and water surroundings in the area.

Artist's impression

Kebun Baru Breeze features a 6-storey Multi-Storey Car Park (MSCP) with a rooftop garden that includes fitness facilities and landscaped green spaces. A preschool will be located on the ground level of the MSCP, providing added convenience for families with young children. With the residential blocks strategically positioned around the site's periphery, residents can also enjoy children's playgrounds, fitness stations, and sheltered gathering spaces set within landscaped areas.

For a detailed layout of the facilities provided at Kebun Baru Breeze, refer to the site plan. Facilities in this project will be accessible to the public.

This is a detailed map of the Ang Mo Kio area in Singapore. The map shows the Kallang River flowing through the region, with several bridges crossing it. Major roads include the Central Expressway (CTE) running vertically on the right, and various local roads like Ang Mo Kio Avenue, Yio Chu Kang Road, and Mayflower Road. Several MRT stations are marked with red circles and labels: Lentor MRT Station, Yio Chu Kang MRT Station, Mayflower MRT Station, Ang Mo Kio MRT Station, Bright Hill MRT Station, and Upper Thomson MRT Station. The map also shows various landmarks, including schools (e.g., Ang Mo Kio North Secondary School, Mayflower Primary School), parks (e.g., Ang Mo Kio Park, Mayflower Park), and community centers. A legend in the bottom left corner explains the symbols used for MRT stations, schools, parks, and other facilities. The 'Breeze' logo is visible in the bottom left corner of the map area.

---- Under Construction / Future Road

Scale 0 200 400 Metres

Notes:

Prospective applicants should consider the following when applying for a flat:

- prospective applicants should consider the following when applying for a flat:
1. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. For more information on land uses, please refer to the Master Plan which shows the permissible land use and density for developments in Singapore. The Master Plan is to be read in conjunction with its Written Statement on URA's website. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
 2. Proposed Place of Worship includes examples such as Church, Mosque, Chinese Temple, Hindu Temple, etc.
 3. Proposed Health & Medical Care includes examples such as Hospitals, Polyclinics, Clinics, Nursing Homes and ElderCare Facilities, etc.
 4. The developments and facilities shown (whether existing or proposed) may:
 - a. Include other ancillary uses allowed under URA's prevailing Development Control guidelines. Some examples include:
 - (i) Places of Worship (e.g. Chinese Temple or Church) may include columbarium,
 - (ii) Community Centres/Clubs may include preschools, and schools may be upgraded or built with higher-rise blocks, etc.
 - b. Be used as temporary construction sites by the relevant authorities.
 5. To support the development of key infrastructure, temporary worker dormitories may be set up near residential areas by relevant authorities.
 6. * Townsville Primary School will be relocating to East Canberra (Sembawang) in 2029.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.

ECO-FRIENDLY FEATURES

To encourage green and sustainable living, Kebun Baru Breeze will have several eco-friendly features such as:

- Separate chutes for recyclable waste
- Regenerative lifts to reduce energy consumption
- Bicycle stands to encourage cycling as an environmentally-friendly form of transport
- Parking spaces to facilitate future provision of electric vehicle charging stations
- Use of sustainable products in the project
- Active, Beautiful, Clean Waters design features to clean rainwater and beautify the landscapes

**SEPARATE CHUTES
FOR RECYCLABLE
WASTE**

**BICYCLE
STANDS**

**ABC WATERS DESIGN
FEATURES**

SMART SOLUTIONS

Kebun Baru Breeze will come with the following smart solutions to reduce energy usage, and contribute to a safer and more sustainable living environment:

- Smart-Enabled Homes with provisions to facilitate adoption of smart home solutions
- Smart Lighting in common areas to reduce energy usage

EMBRACING WALK CYCLE RIDE

With an increased focus on active and healthy living, the housing precinct is designed with well-connected pathways to make it easier for residents to walk and cycle more as part of their daily commutes to the surrounding amenities and public transport:

- Convenient access and walking distance to public transport
- Safe, pleasant, and welcoming streets for walking and cycling
- Sheltered linkways and barrier free accessibility to facilities
- Wayfinding and signages for orientation and navigation

Kebun Baru Breeze residents will be served by bus services and Mayflower MRT Station on the Thomson-East Coast Line that connect to nearby towns. Learn more about transport connectivity in this precinct using MyTransport.sg app at <https://www.lta.gov.sg/content/dam/ltgov/Home/PDF/MTM.pdf>.

FINISHES AND FITTINGS

More than just a well-designed and functional interior, these flats will come with the following finishes and fittings.

DISCLAIMER

- 1) HDB owns the copyright in all information, maps, and plans of this brochure.
- 2) The content provided in this brochure should be read in conjunction with the corresponding sales model of this development. All information provided in the brochure and sales model are not intended to form part of any offer or contract for the sale of flats. They are provided for your general information only and are not intended to be, or to be relied upon as, statements or representations of fact, offers or warranties (whether expressly or impliedly) by HDB. At no time should any reliance be placed on the contents of this brochure and information reflected in the corresponding sales model. Any such reliance shall be at the sole risk and discretion of the recipient.
- 3) Visual representations such as pictures, art renderings, depictions, illustrations, photographs, drawings, as well as other graphic representations and references are only artistic impressions. They are provided for your general information only, and are not representations of fact.
- 4) The information on this project, including but not limited to the dimensions, areas, plans, colour schemes, descriptions, and specifications, are subject to change or review without notice at our sole discretion or if required by the relevant authorities.
- 5) We may at any time, without any notice and at our sole discretion, change any aspect of this project, including but not limited to the omission, amalgamation, increase, or reduction of amenities and facilities, colour schemes, design features, and specifications.
- 6) We will not entertain any request for alteration of the layout or specifications of a flat to suit individual needs.
- 7) While reasonable care has been taken in providing the information in this brochure, we do not warrant its accuracy. We shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.
- 8) The floor areas shown are scaled strata areas and are subject to final survey.
- 9) The surrounding land use and proposed facilities (including but not limited to their locations, form, massing and/or building heights) as shown in the maps and plans are subject to change and planning approval. They may include ancillary uses allowed under the Urban Redevelopment Authority's prevailing Development Control guidelines. Housing projects may be located near roads, railways, airbases, construction sites and land used for non-residential purposes including but not limited to industrial, commercial or utility uses. Hence, residents may experience related disamenities including but not limited to higher noise levels and smell nuisance. For any housing project affected by environmental issues relating to air, water, soil quality or ambient noise, HDB will carry out development in compliance with the prevailing regulatory requirements and/or recommendations by professional experts.
- 10) We reserve the right to use or allow the use of any:

• Void deck of any apartment block

• Car park;

• Common property (such as precinct pavilion); or

• Standalone community building,

for:

• Future amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, and day activity centres);

• Commercial facilities (such as shops and eating houses);

• Mechanical and electrical rooms; and

• Such other facilities as we deem fit.

11) This brochure does not and is not intended to provide full and complete information of the guidelines or requirements of the relevant authorities. You are advised to approach the relevant authorities directly for full information and details of these guidelines and requirements.

12) Without prejudice to the generality of the above, please also refer to "Important Notes" on page 1.

OPTIONAL COMPONENT SCHEME

(2-ROOM FLEXI FLATS)

The Optional Component Scheme (OCS) provides convenience for flat buyers, and is offered on an opt-in basis. Choose the OCS items you want during your flat booking appointment. The cost of the OCS items will be added to the selling price of the booked flat.

All 2-room Flexi flats come with:

- Floor finishes in the bathroom, household shelter, and kitchen
- Wall tiles in the bathroom and kitchen
- Sliding partition/ door for bedroom
(Please refer to the floor plans under Layout Ideas)
- Bathroom door
- Water closet suite in the bathroom

Grab bars will be installed for all short-lease flats to assist seniors in moving around the flats

FOR ALL 2-ROOM FLEXI FLATS

PACKAGE 1

- Flooring in the living/ dining room and bedroom

PACKAGE 2

- Sanitary fittings, i.e. wash basin with tap mixer and shower set with bath/ shower mixer

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.

Jun 2026 OCS1

OPTIONAL COMPONENT SCHEME

(2-ROOM FLEXI FLATS)

PACKAGE 3 offers seniors the convenience of having a flat in move-in condition. It comprises:

SENIOR-FRIENDLY FITTINGS

- Built-in kitchen cabinets with induction hob and cooker hood, kitchen sink, tap, and drying rack.

Here are some features of an induction hob:

- It does not produce an open flame
- Its cooking zone cools down faster
- It is easier to clean than a gas hob
- As it has a flat surface, pots placed on an induction hob are less likely to topple over.

With these features, the use of the induction hob would promote a safer and cleaner environment.

- Kitchen cabinets come with mobile cabinets to provide knee space (especially for wheelchair users)

- Built-in bedroom wardrobe with a lower clothes hanging rod for easy reach

- An option to have a lower countertop height

- Door at the flexible space in the 2-room Flexi (Type 2) flats

OTHER FITTINGS

- Window grilles for safety and security

- Mirror

- Toilet roll holder

- Lighting

- Water heater

Buyers who opt for Package 3 must select Package 1.

Disclaimer: All displays and images shown here are strictly for reference only and are subject to change without notice. The displays and images shown here are conceptual and indicative only and the colour schemes, design, dimensions, type, tonal differences and specifications may differ from the actual fittings installed in the flat.

OPTIONAL COMPONENT SCHEME

(3-ROOM AND BIGGER FLATS)
