

**HDB'S SALES LAUNCH
DECEMBER 2023**

BTOgether

WOODLANDS BEACON

Woodlands Beacon will be bounded by Woodlands Avenue 3, Woodlands Avenue 5, and Woodlands Street 13. This project comprises 2 residential blocks which are 32 storeys high. You can choose from 399 units of 3- and 4-room flats.

Woodlands Beacon is aptly named for its prominent location at the gateway to Woodlands Regional Centre, and is close to amenities such as Causeway Point and Woodlands Civic Centre. Its strategic location also offers residents easy access to a wide range of shopping, dining, and entertainment options.

The residential blocks are positioned amid green landscaping to create a semi-courtyard space for relaxation and unwinding. Here, you can enjoy a range of recreational facilities such as children's playgrounds and fitness stations for the adults and elderly. Alternatively, you can choose to spend some quiet time at the roof garden atop the Multi-Storey Car Park. A residents' network centre is also located within Woodlands Beacon.

Please refer to the site plan for the facilities provided in Woodlands Beacon. Facilities in this project will be accessible by the public.

IMPORTANT NOTES

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/ facilities (such as preschools, eldercare facilities, education centres, residents' network centres, day activity centres, etc), commercial facilities (such as shops and eating houses), mechanical and electrical rooms, and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks, or stand-alone community buildings.

In addition, housing projects may be located near roads, railways, airbases, construction sites, and land used for non-residential purposes. Hence, residents may experience higher noise levels. We have provided information on the surrounding land use, proposed facilities, and their locations in the maps and plans of individual projects, where feasible. All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The information provided is based on the current planning intent of the relevant authorities and is subject to change from time to time.

ECO-FRIENDLY FEATURES

To encourage green and sustainable living, Woodlands Beacon will have several eco-friendly features such as:

- Separate chutes for recyclable waste
- Regenerative lifts to reduce energy consumption
- Bicycle stands to encourage cycling as an environmentally-friendly form of transport
- Parking spaces to facilitate future provision of electric vehicle charging stations
- Use of sustainable products in the project
- Active, Beautiful, Clean Waters design features to clean rainwater and beautify the landscapes

FEATURES

SMART SOLUTIONS

Woodlands Beacon will come with the following smart solutions to reduce energy usage, and contribute to a safer and more sustainable living environment:

- Smart-Enabled Homes with provisions to facilitate adoption of smart home solutions
- Smart Lighting in common areas to reduce energy usage

EMBRACING WALK CYCLE RIDE

With an increased focus on active and healthy living, the housing precinct is designed with well-connected pathways to make it easier for residents to walk and cycle more as part of their daily commutes to the surrounding amenities and public transport:

- Convenient access and walking distance to public transport
- Safe, pleasant, and welcoming streets for walking and cycling
- Sheltered covered linkways and barrier free accessibility to facilities
- Wayfinding and signages for orientation and navigation

Woodlands Beacon is served by adjacent bus stops at Woodlands Street 13 and Woodlands Avenue 5, as well as the nearby Woodlands MRT station and bus interchange. Learn more about transport connectivity in this town using MyTransport.sg app at <https://www.lta.gov.sg/content/dam/ltagov/Home/PDF/MTM.pdf>.

FINISHES AND FITTINGS

More than just a well-designed and functional interior, these flats will come with the following finishes and fittings.

3- AND 4-ROOM	
• Floor tiles in the: • Bathrooms • Household shelter • Kitchen/ utility (3-room) • Kitchen and service yard (4-room)	• Wall tiles in the: • Bathrooms • Kitchen/ utility (3-room) • Kitchen (4-room) • Water closet suite in the bathrooms

OPTIONAL COMPONENT SCHEME

The Optional Component Scheme (OCS) is an opt-in scheme that provides convenience for our buyers. If you opt-in for OCS, the cost of the optional components will be added to the price of the flat. Please refer to the attached OCS leaflet for details.

LAYOUT IDEAS

3-ROOM FLOOR PLAN

(With Suggested Furniture Layout)

Approx. Floor Area 70 sqm

Inclusive of Internal Floor Area of 67 sqm and
Air-con Ledge

To cater to changing lifestyles and provide more flexibility in the use of kitchen space, HDB has designed the flats with an open kitchen concept comprising a dry kitchen and a combined kitchen/ utility space.

The layout offers homeowners flexibility in configuring the area according to their preferences.

For example, you can add partitions to separate the dry kitchen, wet kitchen and utility, as indicated in the dotted lines.

4-ROOM FLOOR PLAN

(With Suggested Furniture Layout)

Approx. Floor Area 93 sqm

Inclusive of Internal Floor Area of 90 sqm and
Air-con Ledge

The coloured floor plan is not intended to demarcate the boundary of the flat

- Notes:**
- All developments and facilities shown (including but not limited to their locations, form, massing and/or building heights) are subject to change and planning approval. The implementation of such proposed developments and facilities is subject to review from time to time by the relevant authorities.
 - The developments and facilities shown (whether existing or proposed) may:
 - Include other ancillary uses allowed under URA's prevailing Development Control guidelines. Some examples include:
 - Places of Worship (e.g. Chinese Temple or Church) may include columbarium,
 - Community Centres/Clubs may include preschools, and schools may be upgraded or built with higher-rise blocks, etc.
 - Be used as temporary construction sites by the relevant authorities.
 - The use of the void deck in any apartment block, common property (such as precinct pavilion), carpark or stand-alone community building for future amenities/facilities (such as preschools, eldercare facilities, education centres, residents' network centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities, is subject to review from time to time.
 - The residential blocks may be completed ahead of the proposed precinct facilities, so that flat buyers are able to collect the keys to their new homes earlier.
 - Unless otherwise indicated in the sales brochure, all facilities within the project, including but not limited to roof gardens and sky terraces (if any), will be open to the public.
 - In view of the COVID-19 situation, temporary COVID-19 related facilities may be set up near residential areas by the relevant authorities.

The information contained herein is subject to change at any time without notice and cannot form part of an offer or contract. While reasonable care has been taken in providing this information, HDB shall not be responsible in any way for any damage or loss suffered by any person whether directly or indirectly as a result of reliance on the said information or as a result of any error or omission therein.
